New Hire
Benefit Information

Mark III Employee Benefits is available to help guide you through the benefits offered by your employer. Review the information below to understand your benefit options better.

CENTRAL CAROLINA COMMUNITY COLLEGE

Important Information

- You have **30 days** from the hire date to enroll in benefits.
- To enroll your dependents, please ensure you have all required supporting documents ready for upload, along with complete information such as full name, date of birth, Social Security number, and any other necessary details.
- **Qualify for Guaranteed Issue!** That means you will not have to answer any health questions when you first sign up for certain benefits, up to guaranteed issue amounts. If you wait until next year to enroll, you will have to answer health questions.

How to Enroll

Call Center & Self-Enroll: You have two (2) options to enroll in your benefits. Dial the number below to speak with a Mark III Benefits Counselor or self-enroll through the online enrollment platform. Scan the QR code or visit the link below to self-enroll.
